

## Membership Application – Greenfield Garden Club

Annual dues: \$20 for an individual, or \$25 for a family.

We welcome members from all the many towns in the greater Greenfield area. Members only need an interest in gardening – they do not have to own property or be a “master gardener.”

The club publishes a monthly newsletter, and members receive discounts at select area businesses when they show their membership card. The club is a member of The Garden Conservancy, so members can participate at the member rate. We send out breaking news and event reminders via email. We try to meet on a monthly basis, and have an annual meeting in the first quarter of the year. We love to go on trips, and we run a grant program, a plant sale, and a garden tour. We design and install a booth at the Roundhouse at the Franklin County Fair. We have potlucks, speakers and tastings. In short – we have fun!

Please join us at our next event, and bring a friend! Memberships make a great gift for the gardener or garden lover in your life.

Please make your check payable to: Greenfield Garden Club. Mail it with this form to our club treasurer, Becky George, at 91 Smith St #111, Greenfield, MA 01301.
